

## Spacely Sprockets – Tier I Internal Employee Message

**Subject:** *Volunteer Opportunity: Hurricane Keoni Response Support Needed*

Team,

Hurricane **Keoni** has impacted communities across our region, and **TXGCVolunteers**—the network we partner with—is now activated. They are requesting **spontaneous volunteers** to help with urgent recovery needs.

As a **Tier I Volunteer Partner**, our role is to notify employees of opportunities to serve. If you feel led to help and are able to do so safely, here are the volunteer roles available:

### Volunteer Roles Requested

- **Muck & Gut Team Members** – supporting flooded households with debris removal
- **Chainsaw Swampers** – assisting trained chainsaw operators
- **POD Support** – helping distribute water and ice in two impacted jurisdictions
- **Crisis Cleanup Operators (Remote)** – phone-based support assisting survivors

Training, tools, and supervision are provided by the nonprofits and VOADs you'll be assigned to.

### How to Participate

If you are interested, please sign up through the link provided by TXGCVolunteers and select any dates you are available. Participation is voluntary, and time away from work should be coordinated with your supervisor.

Thank you for considering this opportunity to support our neighbors in a time of real need.

For questions, contact **[Name / Title / Email]**.
