

Volunteer Partner Tiers

Tier I

Volunteer Partners

1. Provide the names of two contacts
2. Establish processes to notify members when spontaneous volunteers are needed.
3. Share the importance of volunteering in disaster recovery and encourage participation.
4. Encourage participation in 2-3 training events annually.
5. Share estimates of how many company members might respond to an event (planning purposes only, so we know how many organizations to ask).
6. Participate in network-building events
7. Help spread the word.
8. Share logo

TXGCVolunteers.info / TGCRVOAD

1. Provide a contact for the Volunteer Partner
2. Provide materials for Volunteer Partners to craft internal messages.
3. Provide information on how the potential need for spontaneous volunteers shifts from Situational Awareness to Standby and Activation.
4. Match volunteers to nonprofits and VOADs for tools, training, supervision, and liability coverage.
5. Conduct network-building events

Tier II

Volunteer Partners

1. Volunteer Partners provide teams that work with NGOs or VOADs.

TXGCVolunteers.info / TGCRVOAD

1. Every effort will be made to assign all teams to the same site; if not possible, we'll split teams evenly between sites.
2. NGO or VOAD will supply tools, training, supervision, and liability coverage.

Tier III

Volunteer Partners

1. In Tier III, the organization deploys trained recovery teams and leaders to act as a cohesive unit, providing tools, training, supervision, and liability coverage.
2. The team acts independently, choosing cases and reporting work. The organization may join TGCRVOAD Collaboration Calls.
3. Volunteer Partners shares information on its trained teams and their training. Could also join the TGCRVOAD!

TXGCVolunteers.info / TGCRVOAD

1. The TGCRVOAD will support any organization deploying its own trained teams, including access to tools from the ToolBank and free training resources for most volunteer roles.
